

DEARBORN COUNTY FEDERAL CREDIT UNION

PROUDLY SERVING YOU SINCE 1962

Debit Card Users

We care about our members! That's why it is important that you let us know if you have any changes in your phone numbers, whether home, work or cell! Fraudulent activity is an every day occurrence and we need up to date information so we can contact you in case of fraudulent activity. There will be times that the "Transaction Review Center" may call you or leave you a message. Please call them back and verify activity on your card. Afraid it's a scam - remember this: 1) they **should not** ask for an account number or card number 2) if a message was left, they will only ask you for the phone number where the message was left and the name of your financial institution (**Dearborn County Federal Credit Union**). The transaction review center only wants to verify your debit card activity with you - their resources allow them to contact you even when the Credit Union is not open!

- I want to skip my loan payment. I understand there is a processing fee. I understand there is a limit of twice a calendar year.
- I understand that deferring the loan payment will result in an extension of the original term and that interest will continue to accrue at the rate disclosed in my original loan agreement.
- I am aware that by skipping this payment the benefit from disability, life and/or GAP insurance may be reduced by the amount of the payment skipped.
- Turn in DEADLINE June 21, 2019. The terms and conditions of my loan agreement remain in force.
